## Also Available with these Visual Display Options (Some Restrictions Apply)

**Trolley™ Monitor Lift** With the press of a button, the display emerges from its fully recessed compartment beneath the work surface while the patented access door provides a clean, uncluttered work space.

**Downview™** The fully-adjustable arm allows for easy, under desk mounting of any flat panel display with all the benefits of the ergonomically proven Downward Gaze viewing angle.

**Articulating Surface Mount Arm** The Articulating Surface Arm provides an adjustable and secure mounting solution for computer monitors

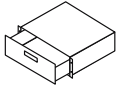

**Surface Mount Arm** The Surface Mount Arm attaches to the underside of the work surface and provides limited adjustability of the flat panel display.
