Also Available with all Visual Display Options

Trolley™ Monitor Lift With the press of a button, the display emerges from its fully recessed compartment beneath the work surface while the patented access door provides a clean, uncluttered work space.

Downview™ The fully-adjustable arm allows for easy, under desk mounting of any flat panel display with all the benefits of the ergonomically proven Downward Gaze viewing angle.

Articulating Surface Mount Arm The Articulating Surface Arm provides an adjustable and secure mounting solution for computer monitors

Surface Mount Arm The Surface Mount Arm attaches to the underside of the work surface and provides limited adjustability of the flat panel display.
